RENEWED PETITION UNDER 37 C.F.R. 1.47(b)

Pursuant to the Decision on Petition Under 37 C.F.R. 1.47(b) dated May 10, 2002, constituting a dismissal of the Petition Under 37 C.F.R. 1.47(b), please reconsider the dismissal in view of the additional information set forth below.

As required in the Decision, Dr. Hasling has been supplied with a copy of the application papers, including the specification, claims, and oath or declaration (there were no drawings). As set forth in the Declaration of Ms. Joanne A. Romaniello, Dr. Hasling was supplied with a copy of PCT/GB99/03574, a preliminary amendment dated May 3, 2001, a declaration, an assignment, national entry documents, and transmittal papers (Exhibit I). Ms. Romaniello has declared in her Declaration (Exhibit II) that she deposited a parcel containing these materials with Federal Express on July 1, 2002. The transmittal papers included the cover letter to Dr. Hasling of that same date (also in Exhibit I). Applicant submits that a bona fide attempt has been made to present application papers to Dr. Hasling in accordance with 37 C.F.R. 1.47(b).

Following shipment of the application papers to Dr. Hasling, additional communications were attempted. Attorney J. Robert Dean spoke with Dr. Hasling by telephone on or about September 11, 2002. Dr. Hasling indicated during that conversation that he had received the parcel containing the application papers but had not acted upon it. Dr. Hasling asked to speak with an attorney for Rhodia Inc. Attorney J. Daniel Wood of Rhodia Inc. later spoke with Dr. Hasling by telephone on October 2, 2002. Dr. Hasling also indicated during his conversation with Attorney Wood that he had received the parcel containing the application papers but had not acted upon it. Declarations by Attorneys Dean and Wood regarding those telephone conversations are enclosed herewith (Exhibits III and IV, respectively).

Attorney Wood also attempted to contact Dr. Hasling in a Letter dated October 7, 2002, wherein an offer of financial compensation was made to Dr. Hasling (Exhibit V). Also enclosed is a Shipment Receipt from United Parcel Service (also in Exhibit V) evidencing the sending of the Letter dated October 7, 2002. Also enclosed is a Tracking Summary from United Parcel Service (Exhibit VI) evidencing the delivery of the Letter dated October 7, 2002. To date, Attorney Wood has not received a reply from Dr. Hasling to the Letter dated October 7, 2002.

As further required in the Decision, a new Declaration and Power of Attorney executed by Mr. Kevin McVeigh (Exhibit VII) on behalf of Rhodia Inc. is submitted. The Decision set forth that the address indicated on the previous Declaration and Power of Attorney appeared to provide the residence, mailing address, and citizenship of Mr. John A. Shedd rather than the Applicant,

Rhodia Inc., as required. The new Declaration and Power of Attorney indicates that Rhodia Inc. is a Delaware Corporation and provides the company address. Mr. McVeigh has executed the new Declaration and Power of Attorney in view of Mr. Shedd's recent retirement. Mr. McVeigh holds the position of Assistant Secretary, Rhodia Inc.

Applicant requests that the documents, materials, and information provided herewith in this Renewed Petition be considered in addition to those previously submitted.

Respectfully submitted,

Dated: December 10, 2002

Re: U.S. Patent Application No. 09/831,057  
Filed May 4, 2001

Dear Dr. Hasling:

Thank you for your reply letter of November 22, 2001 concerning our letter to you of November 16, 2001. In your reply letter, you indicated that you were reluctant to sign without professional advice and that you would not be in a position to execute a declaration unless there was financial compensation.

In accordance with its rights under U.S. law, Rhodia Inc., successor in interest in the above application from Rhodia Consumer Specialties Limited and Albright & Wilson UK Limited, has applied for a U.S. patent on its own behalf. It has done so since you have not executed a declaration.

In our previous letter of November 22, 2002, we provided you with a declaration but not a complete copy of the application papers as required by the U.S. Patent & Trademark Office. To that end, we are required to supply you with a copy of the application, including claims and any preliminary amendment thereof, along with a declaration. The requirement of providing you with a complete set of application papers is the principal reason for corresponding with you again concerning this matter.

Dr. P.D. Hasling  
July 1, 2002  
Page 2 of 2

We are also supplying you with an assignment. The assignment essentially conveys ownership of the subject matter of the application to A & W, your former employer and predecessor in interest in the subject matter.

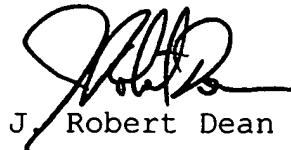

We understand and respect your previous refusal to execute a declaration. Rhodia does not intend to take any legal action against you for that refusal. Rhodia is simply going forward on its own behalf as it believes it has right to do so. In order to go forward, Rhodia is required to supply you with additional application papers in the event you choose to execute them.

If you choose to execute the declaration and the assignment, please return them to us in the return courier envelope (with return airbill no. 8327 3209 2518) enclosed herewith.

If you choose not to execute the declaration and assignment, we would appreciate it if you would provide a brief explanatory letter as you did last time. You may use the return courier envelope for this purpose as well.

Please contact me if you have questions or require clarification.

Very truly yours,

J. Robert Dean
